

**Do you have services or products that would benefit the local home school community?**

More and more home schoolers are looking to their communities to find resources to supplement their home education. Educational toys, games, curriculum, science kits, unit study materials and classes to give both learning and social opportunities with other home school children.

Many small businesses are discovering that home schoolers are looking "outside the box" for learning activities for their children. We are so pleased that so many businesses are listening and beginning to provide products and services to meet the needs of our home school community.

We would like to invite your business to support the home school community by placing an inexpensive ad on our website. and also taking advantage of the opportunity to promote what you have to offer. There are several options and you can choose the one that best fits your needs and budget.

**Banner ad: \$9 per month or \$70 per year for banner ad for non-homeschoolers. \$6 per month or \$50 per year for homeschool families.** Your advertisement includes the opportunity to submit three different posts to our site during the year your ad is on our site.

**Non-profit organizations with 501c3 status** may place a text ad for free for non-charge services, 50% off of non-homeschool prices for banner ad for fee-for-service advertisements.

Your submitted logo should be approximately 180px X 180px. It may be resized slightly to fit the available space. Please submit your logo as a jpg, gif or as html code. Please email this file to plhs@pensacolahomeschool.org .

You can either submit the flyer as a pdf or text file to plhs@pensacolahomeschool.org or mail it to Rose Jansen, 2600 W. Michigan Ave, Box 37B, Pensacola, FL 32526. Please make sure you do not fold any artwork.
